Le Saint-Bock becomes Saint-Bock Experience...
General Public Launch - 6 PM

After several years of research and development, on May 21st, Saint-Bock will transform into the brand new «Saint Bock Experience.»

Come experience the next revolution and evolution in the world of beer. Live your beer like you've never drunk it before. Offer your five senses the greatest taste spectacle ever imagined. Step into our newly imagined beer universe, invented and created by Martin Guimond to amaze your senses.

And let the brewing show begin...
The Saint-Bock Experience will be available to everyone at the Mondial de la bière 2024 at Windsor Station from May 24 to May 26, 2024.
